

Sponsorship Form

On Oct. 30-31, Noah's Landing will be inviting area families to trick-or-treat with all the critters at the nature center. As the kids move from exhibit to exhibit, they'll be collecting candy and information about local businesses. Want to make sure your business gets in on the fun? Sponsor a trick-or-treat table and we'll pass out your business card or flyer along with candy or goodies like pencils or toys. We'll also post a sign so that everyone knows your name!

You can also spread awareness by putting your name on an interactive activity, like our Creepy Crawlies Diner, our Mad Science Lab or pumpkin painting. Your donation will make it possible for these activities to be offered at no charge to our guests. Plus, your name will be on the activity banner, on the "Welcome" brochure given to each guest, and the Noah's Landing Web site!

Thank you for helping us keep the ark afloat!

Station Sponsorship: A sign will be posted at the station with the business name and volunteers can pass out business cards or other information from the organization. All sponsors will be listed on the Noah's Landing website.

I will provide: \$50 Candy (10 lbs)

Activity Sponsorship: Funds will be used for supplies and vendor fees so that supplemental activities can be offered free of charge to guests. Sponsors will receive their name on the activity banner and their name and logo on the Noah's Landing site. Materials from the business can be distributed at the activity station.

I would like to fund:
