

Help the critters at Noah's Landing win \$55,000 for Christmas!

This winter, the critters at Noah's Landing, a non-profit zoo in Coats, NC, need your help. And you won't need to leave your couch to do it!

The Noah's Landing elves have decorated a "Save the Species" tree for the Triangle Christmas Tree Challenge. The winning tree will win \$5,000 - a HUGE contribution to our winter needs. We're also in the running for a Pepsi Refresh grant for \$50,000. Funds would support the expansion of our educational programs in local schools. But both competitions would ensure our survival through the tough winter months.

How can you help? We need your votes! Please take a moment each day to text your votes or log them online. Spread the word -- we need as many votes each day as possible!

Pepsi Refresh

(Voting starts Dec. 1 and concludes Dec. 31)
